Consumables IMechE BoM - Partial (£)								£1.80										
											Total Mass (g)		798.2					

Notes:

Unit costs that are too small are denoted in scientific form (ie 4.06E-6) and are still in the unit £

Quantity is in units, except for those which are laser cut (mm2), those which are 3D printed (g), or tape/cut (mm)
